We are excited to introduce our first foals from "Bullet". "BULLET" is a powerfully built stallion standing 15.2 hands and weighing 1200#'s. He has excellent balance and conformation and a disposition that is impeccable!

He is a son of Freighttrain B who has a SI of 115 and was the 2020 3rd leading sire of money earned - \$4M in 2020 - and sire of the 2020 All American Futurity winner and Whistle Stop Cafe. He is out of PYC Paint Your Wagon (SI 107) by Corona Cartel (SI 97) and Dianetogetcha by Mr Eye Opener (SI 106). His dam is by Jess Louisiana Blue (SI 109) 2020's #3 Sire of Winners by Mr Jess Perry (SI 113) and Atightasset by First Down Dash (SI 105). In 2022 Freighttrain B is the #7 leading sire in AQHA racing sires of money earned, Corona Cartel is #20 and Jess Louisiana Blue is #22. Freighttrain B stands for \$8,500 and Jess Louisiana Blue stands for \$5,000.

While the speed in his lineage is well documented it is his conformation, substance and disposition that won us over. He should be a truly standout outcross to the fine mares in our part of the country and will fit very well with mares that are either cow and or speed bred. We have been truly impressed with how he has handled and with the foals he has sired for us this year, their substance, conformation and disposition have been a true pleasure. You will not be disappointed by checking out what he has to offer you.

Speed, Power, and Disposition!

“Pendleton” is a beautiful 15.2 hand sorrel with a long flaxen mane and tail, and his three white stockings

add to his chromed up appearance. He shows the athletic ability and calm mindset that was expected from his breeding.

His sire PC Leatherwood “Woody” is very well known in the rodeo and ranch community. He qualified in both the SD State 4H Rodeo Finals and the SD State High School Rodeo Finals in barrels and poles; the NBHA World Finals in both the youth and open divisions; is a money earner in barrels and breakaway in the NIRA Great Plains Region, SDRA and NRCA; stood Grand Champion in the Bold Heart Stallion Halter Classic in consecutive years; is a multiple saddle winner in barrels and all-around; and won the Youth Breeder and Open Maturity Class in barrel racing at the Bold Heart. His sire PC Fire N Smoak is a Sire of a 5-State Breeders Barrel Futurity Champion and his dam PC Lace N Leather was a

Dakota Classic Cutting Futurity Champion. He now also has numerous offspring following in those footsteps.

Sun Frost was also recognized in 2022 for his versatility, skill, and grit by being inducted into the American Quarter Horse – Hall Of Fame!

Pendleton’s dam went straight to our mare pen and has foaled some successful horses of her own. FA Firesteel Dude “Firesteel” is a full older brother to Pendleton and runs consistently in the 1D Division in barrels and is also a pole bending money earner.

Pendleton’s sire and dam are both grandget of the great Sun Frost, with progeny earnings over \$7M, and he carries all the desirable attributes of this lineage.

This young stallion carries the pedigree that will lead you to success but also has the disposition that will make them a pleasure to be around. He is a smooth mover, correct conformation, and good minded which will make for consistent and dependable performers in whatever discipline you pursue.

We at Broken Heart Ranch would like to thank all our past customers for their support and updates on the horses that have been purchased from us. It is exciting to hear the accomplishments from your families as you grow up riding horses with the white Broken Heart on the left hip.

As we move on to next year we are excited about our first crop of foals from Breakin Da Bank and Streaking Executive. We feel that these two stallions will offer agility and speed to compliment our mares and should provide some exciting foals for our future.

Thank you everyone for your support.

Zan N Me is a stud I'm very excited about. His sire Bet On Me 498 is a reserve world champion cutting horse by Smart Little Lena out of the great cutting mare Bet Yer Blue Boons, who is also the dam of 6666 Ranch's Beta Hesa Cat. Zan N Me's dam Sparkles Rosezanna is one of the all time great mares there has been showing her versatility in many events. She was a NRHA Futurity Open Champion, world champion heading horse, world champion tie down horse, world champion heeling horse, world champion reining horse, and reserve world champion working cowhorse. She has also produced world champions, and has world champion grandget. Both Bet on Me 498 and Sparkles Rosezanna also produced 1D barrel horses! Zan N Me was shown only a few times through no fault of his own, and has reining, reined cowhorse, and halter points. He is bred by Carol Rose.

VF CORONA SMASHED

VF Corona Smashed is by Obsessed With Corona, a AAA stakes winning son of Corona Cartel that produced well over \$230,000 worth of money earners in barrel racing alone. He ran the 11th fastest time at the All American Futurity Trials and 92% of his colts that went to the track are money earners.

His dam Dellas Easy, is a direct AAA and stakes winning daughter of World Champion running horse Easily Smashed who was versatile sire on not only running horses, but arena horses. Dellas Easy also is a 1D barrel horse producer along with producing a BFA Futurity Finalist.

VF Corona Smashed was not ran due to an accident in his stall that caused a bone chip, but has the blood, looks, and athletic ability to take you to a high level in the arena. I cross him mostly on cow bred mares to get that magic run/cow cross, that has been proven to work in many rodeo arena events. His oldest foals are just getting started and I have been hearing good reports so far. I hope you like them, and look forward to visiting with you at the sale.
